

REMARKS

Claims 35 and 36 were identified in the Notice of Non-Compliant Amendment as having the status identifier of "Currently Amended" without appearing to have any amendment to the claims. The change made to these claims, as shown in the January 26, 2007 Amendment, was to include a comma "," after the word "substance" in the second sentence of each of these claims. As such, the status identifier for these claims was correctly identified. To ensure that the record is clear, Applicant hereby submits a complete new listing of all claims with the only change being that claims 35 and 36 show the word "substance" being replaced with "substance," (i.e., the combination of "substance" and a comma ",")

In view of the foregoing, it is respectfully submitted that this Amendment is fully compliant. Please note that this Amendment replaces only the Amendments to the Claims section of the January 26, 2007 Amendment. Applicant respectfully requests reconsideration of all pending claims in view of the January 26, 2007 Amendment and this Amendment.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.
